

# A spring uprising in Gurugram

## IN FULL BLOOM

With the end of winter and emergence of the sun, large, small, coy, audacious, multi-coloured and intensely pigmented winter-spring flowers are in full bloom. Until the summer heat takes over, horticulturists toil to keep the flowering plants in a fine condition. HT's **Yogendra Kumar** captured them on lens

## DLF MAGNOLIAS >>

Blue Princess Vibena or Vibena triselecta paint the lawn of the condominium in lavender and blue. The lawn, at DLF Golf and Country Club, is a viewing front to DLF Magnolias. These flowers vary in colours, from pink to purple and white. Native to America and Asia, the flowers blossom in full sunlight.

## << TRINITY TOWERS

Pockets of yellow flowers, in different shades and densities, greet the residents of the society. These are the yellow Jacarandas, a flower that is ubiquitous in the condominium. Their subtle whiff that flows through the air as the residents go on with their walks is what they find most alluring, or sit on the benches. The bright pink petalinas in the condominium add to the beauty.

## GURGAON ONE

Scarlet, pink and yellow begonias dot the gardens in Alpha Corp Gurgaon One located in Sector 22, while holy hocks, a spring staple, bloom in pretty clusters of pink, and the modest bougainvilleas flank the condominium wall-to-wall.

## MAPSKO ROYAL VILLE

The moment you set step into Mapsko Royal Ville in Sector 82, a spicy, woody fragrance of the dandelus sinks greets you. Heeping out of their pots and serving a warm welcome to all passers-by, these biennial flowers belong to the family of carnations and bloom twice a year.

## << VATIKA CITY

White and purple daisies, pink and white bougainvillea and vermilion coloured seasonal flowers in full bloom create a picturesque spring in Vatika City, located in Sector 49.

## MAPSKO CASABELLA >>

The large gardens of Mapsko Casabella in Sector 82 house myriad varieties of plants and flowers and look kaleidoscopic during the season. The ephorbia milk, in their vivid shades of red, pink, white and yellow, stand out.

## << DLF NEW TOWN HEIGHTS

With every possible colour and shape of flowers, it is currently a floral feast in the condominium. Rounded purple dahlias, pretty petunias and the vibrant and proud white babianas that occupy different spaces in the condominium sway gently.
